**Confidentiality Statement**

The information contained herein is to be considered proprietary information between P&N Tech and Customer ONLY. Any distribution outside of these parties will result in engineering configuration charges which will be the responsibility of the customer.

The information contained in this proposal is the property of P&N Tech. Its use is restricted to the company indicated above and its officers and employees solely for the purpose of evaluating the proposed systems. Any other use of this information is strictly prohibited without the written consent of P&N Tech. This proposal expires in 15 days from its date unless extended in writing by P&N Tech. Hardware and software are guaranteed for 15 days, subject to final approval by P&N Tech. Fees for services are estimates only (actual hours will be billed).

The recommendations for equipment, programs and services contained in this proposal are estimates based on data furnished the the company indicated above and on our observations. While we believe our estimates to be sound, the degree of success with which equipment, programs and services can be applied to data and information processing is dependent on numerous factors, many of which are not under P&N Tech's control. Therefore, any estimates as to the results to be obtained, must not be regarded as expressed or implied warranties.
